This important program recognizes the African-Americans who serve with distinction throughout the Department of Corrections. While the percentage of African-Americans living in Arizona is approximately three percent, African-Americans make up almost six percent of the Department of Corrections' workforce. These exceptional correctional professionals work tirelessly in correctional facilities throughout Arizona and their contributions are considerable.

On behalf of the citizens of the State of Arizona, I salute you for your exceptional accomplishments and extend best wishes for success in your future endeavors.

IN WITNESS WHEREOF, I have hereunto set my
